About Us

Our company “**Amazon Toptan Pet Ürünleri**” started its activities in the **pet sector in 1980**.

It has been manufacturing bird food by obtaining a “**Bird Food Production License**” in 1997.

Our company is confident enough in its products to provide the only “**100% FEED GUARANTEE**” in the sector.

It has been producing clean, dust-free and high-standard bird food under the brand “**Chico**” since 2009.

The Chico brand is used by the world's leading bird producers and World Champions.

Our company is licensed by the Ministry of Agriculture and Forestry.

In addition, our company also undertakes the regional distributorship of various Pet brands approved by the Ministry and carries out their marketing.

Chico

Natural Base Material

1,5 lt.

Chico's base material is 100% Natural.

It is suitable for use on the cage base of the birds.
It prevents the formation of viruses and bacteria by drying the feces of birds.

Chico can be used in nestlings of birds.
It prevents and slows down lice formation.
Thanks to the scent it emits, it ensures that the cages are spacious.

There is no problem for birds to gnaw, eat and play.
The expiry date is 3 years from the date of manufacture.

Kraft pack is 1,5 Liter.

Ingredients: 100% Thyme.
